

## GROUND-BREAKING, CONSTRUCTION

## Ferrovial lays the foundation stone for the School of Medicine and Nursing at the University of the Basque Country (UPV/EHU)

- A consortium comprising Ferrovial and EBA will build the new School of Medicine, Nursing and Physiotherapy for the UPV/EHU
- The event was attended by Mr. Iñigo Urkullu, Lehendakari (President) of the Basque Government, and Mr. Juan María Aburto, Mayor of Bilbao.

**Madrid, 28/07/2023.**- Ferrovial and EBA broke ground today for the construction of the new School of Medicine, Nursing and Physiotherapy for the University of the Basque Country (UPV/EHU) in Bilbao.

Ferrovial, in consortium with EBA, a subsidiary of Grupo San José, will construct the nine-story building with a floor area of more than 44,500 square meters. The facility, where undergraduate courses in Medicine, Nursing and Physiotherapy will be taught, as well as seven master's degrees in the area of Health Sciences, is scheduled to open in 2026.

Under the contract, which is worth over €51 million, the partners will also upgrade the surrounding area by replacing sidewalks, improving accesses, building an interior plaza, and creating a new street to connect the university with Basurto Hospital by means of a pedestrian walkway.

The ground-breaking ceremony was attended by the Mr. Iñigo Urkullu, Lehendakari (President) of the Basque Government, Ms. Cristina Uriarte, Regional Government Minister of Education, Mr. Juan María Aburto, Mayor of Bilbao, and Ms. Elixabete Etxanobe, General Deputy of Bizkaia.

### About Ferrovial

Ferrovial, a leading global infrastructure operator, is committed to developing sustainable solutions. The company operates in more than 15 countries and has a workforce of over 24,000 professionals worldwide. Ferrovial is dually listed on the Dutch and Spanish stock exchanges and is a member of Spain's blue-chip IBEX 35 index. It is part of the Dow Jones Sustainability Index and FTSE4Good, and all its operations are conducted in compliance with the principles of the UN Global Compact, which the company adopted in 2002.

### About EBA

EBA (Eraikuntza Birgaikuntza Artapena) is a Basque company with headquarters in Vitoria and an acknowledged track record of more than 20 years working for public- and private-sector clients in the Basque Country, Navarra, La Rioja, Asturias, Cantabria, Castilla León and Catalonia. Specialized in the construction, renovation, expansion and refurbishment of all types of buildings, it understands that construction companies must live up to society's expectations and be an ally in combining environmental preservation with social well-being and economic interests. Its business model stands out for its professionalism and the use of new technologies and advanced tools for monitoring the work, driving efficiency in construction and the achievement of excellence at all levels of a project.
