APPOINTMENT, ORGANIZATION CHART, CORPORATE

María José Esteruelas appointed CEO of Ferrovial Energy

- María José Esteruelas will lead this new business unit that combines all of Ferrovial's energy areas
- She will form part of the company's Management Committee

Madrid, 12/01/2024.- Ferrovial has appointed María José Esteruelas as CEO of Ferrovial Energy. Formerly Head of Energy Solutions, she will join Ferrovial's Management Committee to head the new business unit, which brings together all its energy-related activities under a single management.

With this organizational change, Ferrovial intends to boost business related to the energy transition and to develop new capabilities in this area more quickly and efficiently.

Industrial Electrical Engineering from ICAI (Comillas Pontifical University, Madrid), Master's Degree in Operations Management from IE Business School and a PDG from IESE Business School. She joined Ferrovial in 2021 as Managing Director of Energy Solutions. Previously, she developed her career in Abengoa, where she has held various positions in different areas, including Director of Concessions, Director of Latin America, Director of the Energy Division, Director of the Americas Region and member of the Executive Committee. Since February 2019, she is a member of the Board of Directors of Applus+.

About Ferrovial

Ferrovial, a leading global infrastructure operator, is committed to developing sustainable solutions. The company operates in more than 15 countries and has a workforce of over 24,000 professionals worldwide. Ferrovial is dually listed on the Dutch and Spanish stock exchanges and is a member of Spain's blue-chip IBEX 35 index. It is part of the Dow Jones Sustainability Index and FTSE4Good, and all its operations are conducted in compliance with the principles of the UN Global Compact, which the company adopted in 2002.
